

College of Agricultural Sciences and Natural Resources

CASNR Living Community (CLC)

The CASNR Living Community focuses on helping you make the most of your college experience by asking you to make a commitment to become actively engaged in all aspects (academic and co-curricular) of college life during your entire academic year through living in a specific residence hall and participating in CASNR-sponsored activities.

AGREEMENT for: _____
(Student name)

Please read and agree to the following items:

____ YES! I agree to make a commitment to being an active and engaged CLC student. I am excited about CLC and the opportunities presented.

____ YES! I have read the summary of CLC and wholeheartedly agree to commit to be an active participant.

____ YES! I understand that this living community is sponsored by the College of Agriculture Sciences and Natural Resources, and agree to support the goals of CLC.

____ YES! I agree to live in the new CASNR Village Suites, and abide by the requirements for living in an OSU resident hall as outlined in the policies by OSU Residential Life (no alcohol or smoking permitted).

____ YES! I have completed the OSU Residential Life Housing Contract.

____ YES! I agree to make academics and personal development a high priority.

Please select one of the following:

____ YES! I am an incoming freshman to OSU and excited about this living opportunity.

____ YES! I am new transfer student at OSU and excited about this living opportunity.

____ YES! I am a continuing student at OSU and excited about serving as a mentor to new OSU Students.

CASNR Living Community Student Signature: By signing this contract, I agree to get involved in CASNR activities, strive to meet my academic goals, work to make campus connections, participate in personal and professional development and begin developing my life plans and career goals through the activities on campus and through the CLC. **I also understand that non-compliance with the above expectations or any other Residential Life policies will be reason for my exclusion from further participation in the CLC and movement to another campus residential hall.**
